No. 22

### PURCHASE OF TRAINING AIRCRAFT

The Council intends to purchase 01 new single engine piston aircraft meeting DGCA requirement for training purposes.

Bids along with a security deposit of Rs. 2.00 lac, are invited from manufactures, authorized dealers/representatives/agents of manufacture for purchase of aircraft described above. The security deposit should be made by a DD in the name of the "Punjab State Civil Aviation Council" payable at Patiala. The aircraft should be equipped with glass cockpit for navigation and communication. The aircraft will be purchased in the name of Patiala Aviation Club.

The bid should include all costs, taxes, charges and any other incidental cost which may be incurred while delivering the aircraft at Patiala Civil Aerodrome. No additional cost will be allowed to be claimed by the bidder except for variation in taxes, duties or other government dues rate of which may have changed between the time submission of bid and delivery of aircraft at Patiala. The cost shall also include training of the engineer(s) and instructor(s).

In case a bidder proposes to introduce a new type of aircraft which has less than five aircraft of that registered in India then the bidder must certify supply of spares, arrangement for overhaul of engines, propellers, calibration of equipment and any other essential requirements which may be essential to maintain flying training operations without any loss of time.

The modalities and documentation required for delivering the aircraft at Patiala and getting the aircraft transferred in the name of the Patiala Aviation Club will be discussed with the selected bidder, however, it will be the responsibility of successful bidder to complete all administrative details for successful delivery and registration of the aircraft in the name of the Patiala Aviation Club and getting required approvals from various government departments including DGCA with assistance of Patiala Aviation Club.

The bidder should enclose technical and financial bid separately in two envelopes, each super-scribed with appropriate label. Both the bids, sealed separately, should be then enclosed in a common envelop. DD for security deposit should be delivered with the covering letter of the bids. The technical bid should give all details about the aircraft including engine details, fuel consumption, navigational & communication equipment, major servicing and maintenance schedules, availability of spares with approximate timeframe for supply of regularly needed spares as well as other spares along with and other essential details which may be required for evaluation of an aircraft for training purpose. DGCA approvals and other required approvals should also be provided in technical details as per **Aircraft Evaluation Sheet attached**.

The financial bid should include all costs and a complete working out of costs which may be incurred by the Council for the aircraft to be delivered at Patiala Civil Aerodrome and mode of payment.

Any query or clarification required may be addressed to CEO, PSCAC by email. Bids complete in all respects should reach office of the CEO, PSCAC by June 17, 2023 till 3:00 pm positively. Any bid received after the expiry of this period shall not be opened and be rejected. The security deposit will be refunded to the unsuccessful bidder on finalization of the selection of the successful bidder. Final decision regarding the selection of aircraft shall rest with the Punjab State Civil Aviation Council which may reject any or all bids without assigning any reason.
